BASIC TENSES

SIMPLE PAST TENSE

AFFIRMATIVE FORM	NEGATIVE FORM	INTERROGATIVE FORM
I LISTENED TO MUSIC. YO ESCUCHE MÚSICA.	I DIDN'T LISTEN TO MUSIC. YO NO ESCUCHE MÚSICA.	DID I LISTEN TO MUSIC? ¿ESCUCHE MÚSICA?

SIMPLE PAST TENSE

Was/ lived/ began/ received/ obtained/ applied/ died are all past simple

- A.** We use the simple past to talk about things that are now finished. Very often the past simple ends in **ed** (regular verbs)
- I work in travel agency now. Before I **worked** in department store.
 - We **invited** them to our party, but they **decided** not to come.
 - The police **stopped** me on my way home last night.
 - Laura **passed** her examination because she **studied** very hard.

For spelling (stopped, studied etc.), Pay attention to the explanation of the teacher.

But many verbs are irregular. The past simple does not end in- **ed**.

For example

Write ⇒ wrote	Mr. Hawking wrote more than 10 books about the predictions of quantum theory and black holes.
See ⇒ saw	We saw Juan in town a few days ago.
Go ⇒ went	we went to the school four times last week.
Shut ⇒ shut	it was cold, so I shut the window.

For a list of irregular verbs, see the homework.

- B.** In questions and negatives we use **did/ didn't** + infinitive (enjoy, see, go etc.):

I **enjoyed** the party I **didn't** enjoy the party **Did** I enjoy the party?

- **Pedro:** Did you go out last-night?
Maria: Yes, I went to the cinema but I didn't enjoy the film much.
- **Robert:** When did Mr. Hawking die?
Ruth: About three years ago.
- They didn't invite her to a party, so she didn't go.
- **Rose:** Did you have time to study?
- **Peter:** No, I didn't.

- C.** The past of be (am/ is / are) is **was/ were** –
Pay attention to the explanations of teacher.

I /he/she/ it	⇒	was /wasn't
We/ you/ they	⇒	were weren't

was	⇒	I /he/she/it?
were	⇒	We/ you/ they?

Note that we do not use did in negatives and questions with **was** and **were**:

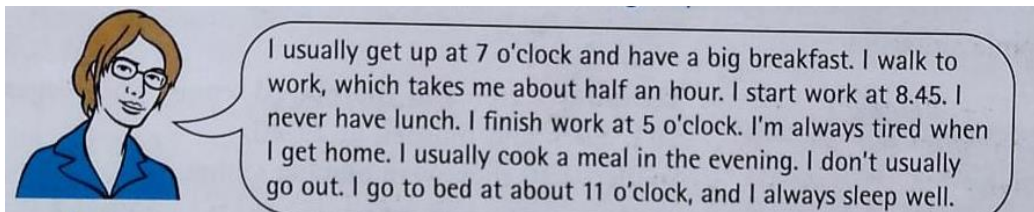

- I **was** angry because they **were** late.
- **Was** the weather good when you **were** on holiday?
- They **weren't** able to come because they **were** so busy.
- Did you go out last-night or **were** you too tired?
